

## MEMBERSHIP APPLICATION

Thank you for being a part of the Emergency Road Service Coalition of America. We started this association 7 years ago and can not continue without your support.

With all the challenges our industry faces including regulations, the high cost of insurance, employee pools dwindling and more, you can rest assured we will be at the forefront of these battles. Your membership dues help to keep this important organization going. Below you will find the dues structure based on your monthly call level. Additionally, if you can donate funds to help our fight at the State Capital, it would be appreciated. Included with your renewal letter is our new association decal, a certificate for one free online driver training session, press release and President’s letter about the changes to the Coalition.
